

Download 6 Humorous Romance Novels Box Set

Romances that occasionally (or frequently) made you laugh out loud — or at least chuckle — set in England between 1800-1900. Not grossly slapstick. And many of the books on this list might have provided a chuckle or two, but weren't written to be humorous. There was at least one that I saw with no romance what so ever. There was at least one that I saw with no romance what so ever. Discover the best Romance Collections & Anthologies in Best Sellers. Find the top 100 most popular items in Amazon Kindle Store Best Sellers. You'll get three of their stories in this romantic box set, including Shawnee, Joe, and Jessie Carrington's tale. Get this Kindle romance for FREE on 10/11! Prices are subject to change without notice., 6 Humorous Romance Novels Box Set.
