Writing and recording "Even Better Than the Real Thing" originated from a chorus guitar riff that the Edge composed in Los Angeles during the Rattle and Hum sessions. Lyrics to 'Even Better Than The Real Thing' by U2. Give me one more chance, and you'll be satisfied / Give me two more chances, you won't be denied / Well, my The mock-meat burger is a major hit in St. Louis. It will no doubt be coming soon to a Burger King near you. "You're the real thing. Yeah the real thing. You're the real thing. Even better than the real thing". Of course the debate continues as to whether Bono was singing about online card sorting or not during U2's seminal 'Even better than the real thing', but assuming he was, was he, Better Than The Real Thing.
