Echoes, the newest studio record from Matt Maher (Essential/Sony) is a collection of declarations in the midst of dealing with human suffering. Trees are mentioned more times in the Bible than any living thing. Question: "What does the Bible say about diversity?" Answer: Diversity is, basically, variety. In recent times, the word diversity has taken on the specific connotation of "variety of people within a group"—the differences among the people being racial, cultural, gender-based, etc. Diversity was God's idea. Archbishop, Thank you for your leadership in NE Kansas. We are in need of revival in the Church and guidance in the difficult decisions of human relationships., Embracing The Human Jesus.
