How can you be so certain that this isn't yet another form of misleading indoctrination? A path of gold for the gullible to follow, only to find a fish market selling red herring at the end? Flashback for my AMS & SBA alums: Remember Dewey the Cat? Sure, you do ... a blockbuster cat book that tried to ride the long tail to riches. Anita Elberse, the HBS prof who wrote the Dewey case has a book out called "Blockbusters". Bloomberg Businessweek helps global leaders stay ahead with insights and in-depth analysis on the people, companies, events, and trends shaping today's complex, global economy. This is a strategy that you might be able to get away with if you make \$100K/year. If you make \$500K/year, expect to have the city tax collectors spying on you to see if you spend 183 nights/year in the city., Forget The MBA Rankings. How To Pick A B-school That's Right For You..
