

Download How To Create A Winning Financial Plan

Article How to Create a Winning Restaurant Business Plan Joe Erickson. Hard work, great food, and the will to succeed are not enough. You need proper training, established operational procedures, and a creative marketing plan, before you open. The stodgy business plan--that multipage printed document that entrepreneurs used to hand out at meetings with venture capitalists--has gone the way of the typewriter and Rolodex. Your business plan is a crucial document for your new company. It says who you are, describes your business and shows how you will become profitable. For a startup business, creating a business plan is like creating a game plan in sports. You need to scout out all the information to create a winning strategy for the game. While business plans ..., How To Create A Winning Financial Plan.
