

Download Is China Unstable Assessing The Factors

Focuses on the potential for instability in China from political, economic, and historical perspectives. The book considers elite (national) and local politics, micro- and macro-economics, urban and rural conditions, attitudes among intellectuals, and minority areas. China has indeed been facing multiple sources of threats to its political stability, but it is no more politically unstable or fragile than many others in the world. Assessing the Factors Assessing the Factors" by David L. Shambaugh available from Rakuten Kobo. Sign up today and get \$5 off your first purchase. Focuses on the potential for instability in China from political, economic, and historical perspectives.
