

# Download Socio-Cultural Values And Development

The values Sociocultural Are the set of rules, principles and beliefs that govern the behavior of the human being within society. They are learned passively from a very young age, since they are instilled within the family nucleus, being that the first contact that each person has with the society. Sociocultural factors are customs, lifestyles and values that characterize a society or group. Cultural aspects include concepts of beauty, education, language, law and politics, religion, social organizations, technology and material culture, values and attitudes. Bücher (Fremdsprachig) Wählen Sie die Abteilung aus, in der Sie suchen möchten. Socio-Cultural Development by Thomas Woodfin When any development occurs it becomes "socio-cultural." Development is a dynamic process, and is a series of processes that culture influences and vice-versa., Socio-Cultural Values And Development.
