

Download Yes You Can Write Your Own Copy

YES! You can write your own copy fulfils its promise, helping the reader to write powerful, compelling web content, ads, brochures, press releases, newsletters, articles, books, manuals, corporate videos — anything that needs to convince, persuade and ring in the sales. Above all, YES! You can write your own copy helps the reader know who they are writing to and why, to organise their material accordingly, review their drafts and produce text that talks TO not AT their prospects. You can write your own copy fulfils its promise, helping the reader to write powerful, compelling web content, ads, brochures, press releases, newsletters, articles, books, manuals, corporate videos — anything that needs to convince, persuade and ring in the sales.
