

Download Building A Better Future For All

From the skies above Billund, Denmark, you can guess which famous toy company calls this town home. And inside this life-size Lego building, it's Lego heaven. From creating job opportunities to teaching us new skills to keeping families healthier and safer, tech is transforming lives and redefining what's possible. Together, in communities across the world, tech is building the future. We've gathered resources and a plan, and are proposing concrete action for how to make our schools better. But it will require all of us working together for change. Let's get started. Building a Better Phoenix is a CITIZEN LED EFFORT to STOP the destructive \$7 BILLION DOLLAR EXPANSION OF LIGHT RAIL throughout the city of Phoenix., Building A Better Future For All.
