JSTOR is a digital library of academic journals, books, and primary sources. The English word tradition comes from the Latin *traditio*, the noun from the verb *tradere* (to transmit, to hand over, to give for safekeeping); it was originally used in Roman law to refer to the concept of legal transfers and inheritance. The archaeology of Israel is the study of the archaeology of the present-day Israel, stretching from prehistory through three millennia of documented history. This painting, "He turned their waters into blood," by the 19th-century American folk painter Erastus Salisbury Field (1805–1900), depicts the first of the Biblical plagues inflicted on the Egyptians., Conflict In The Archaeology Of Living Traditions.
