Divorce and re-marriage in the light of Scripture and God's will. Since many remarriages include children from previous relationships, blended families or stepfamilies are more common than ever. When families "blend," though, it rarely progresses smoothly. The Historical Context of Jesus' Teaching. It is ironic that there should be so much controversy over the import of the teaching of Jesus on divorce/remarriage. This study proposes new ways of comparing discourses on population and argues that these discourses concern both management of the reproduction of human bodies on a massive scale, and competition at global and local levels for re-sources and/or an, Cutting Through The Confusion On Marriage Divorce And Remarriage.
