

# Download Developing Literacy Reading Writing Children

The National Early Literacy Panel looked at studies of early literacy and found that there are many things that parents and preschools can do to improve the literacy development of their young children and that different approaches influence the development of a different pattern of essential skills. Writing is a terrific way for children to express their thoughts, creativity, and uniqueness. It is also a fundamental way in which children learn to organize ideas and helps them to be better readers. Here are some suggestions that engage your child in the writing process. Writing regular blogs on teaching early literacy, author Susan Hill will keep you informed on the latest research. Susan Hill is an Associate Professor at the University of South Australia. Technology for Developing Children's Language and Literacy: Bringing Speech-Recognition to the Classroom Technology for Developing Children's Language and Literacy by Marilyn Jager Adams and the Joan Ganz, Developing Literacy Reading Writing Children.
