Any expectant mother or father these days is doubtless aware that items designed for baby girls are commonly pink, and those meant for baby boys are blue. A set of first cousins in Utah are petitioning to change the state's marriage laws after having to drive to Colorado in order to tie the knot. Two words uttered that day in the summer of 2011 made us forget the other 922 words Young spoke into the microphone. Young and everyone else associated with the team would be dancing around those ...Just a little something for someone I consider to be like a daughter to me, shes made such strides in life and in art and I couldn't be prouder of her., It Wasnt Always Like This.
