

Download Linking The Strands Of Language And Literacy

Design Summary VersaTiles is designed as a supplemental literacy program for both classroom and afterschool settings. The program combines the challenge of a puzzle with the practice of a workbook, offering many activities that allow students to practice skills independently and at their own pace. An Essential Digital Literacy Program. Sunshine Online offers schools the very best in animated and interactive digital content for literacy and early numeracy. With an emphasis on developing comprehension with texts, students are exposed to a variety of variety of text types for independent reading literature and informational texts and learn how (e.g., books, pictures with captions, rhymes, songs). English consists of three interrelated strands: Language, Literature and Literacy. Through this subject students develop their ability to use the English language to communicate through both receptive and productive modes., Linking The Strands Of Language And Literacy.
