History. While known as the location of Papal conclaves, the primary function of the Sistine Chapel is as the chapel of the Papal Chapel (Cappella Pontificia), one of the two bodies of the Papal household, called until 1968 the Papal Court (Pontificalis Aula). Michelangelo considered himself to be a sculptor and nothing more. When the Pope commissioned him to work on the Sistine Chapel, the artist insisted he didn't have talent as a painter. Italian Renaissance painting is the painting of the period beginning in the late 13th century and flourishing from the early 15th to late 16th centuries, occurring in the Italian peninsula, which was at that time divided into many political states, some independent but others controlled by external powers.
