Memorial Poems for Losing a Son. One of the most tragic and traumatic losses life can deal out to a person is the death of a son. The death of a son means the loss of more than just a precious life. I have been struggling with depression, generalized anxiety disorder, and panic disorder for about a year and a half now. My poem is from the point of view of your mind, because with these mental illnesses, you're in constant battles with what's going on in your head. These Spiritual Sayings are words of positivity, wisdom and love regarding the Energy or Force that we call by so many different names. In a lot of these sayings the word God is used, but just substitute it for your own personal word for the All-That-Is. We offer gifts of compassion for those suffering loss, bereavement or sudden life hardships. Lifetime Art Impression, LLC (LAI) offers "comforting words" for those struggling to find the right thing to say to a friend in their time of need., Poems For Mental And Spiritual Healing.
