

# Download Prehistory A Very Short Introduction

I don't think a very short introduction is the venue to introduce one's own idiosyncratic POV, but this is what the author has done in a very poorly edited book. I don't think a very short introduction is the venue to introduce one's own idiosyncratic POV, but this is what the author has done in a very poorly edited book. Prehistory: A Very Short Introduction examines how we became who we are today by investigating four and a half million years of human existence, investigating topics such as gender, race and sexuality in the prehistoric world.
