

Download Psychoanalysis, Attachment, And Spirituality Part Ii The Spiritual Stories We Live By.

We use cookies to make interactions with our website easy and meaningful, to better understand the use of our services, and to tailor advertising. In short, if we look at the broad strokes of developments within psychoanalysis and attachment theory, we see many examples of converging relational concepts. What may capture the common core of these two traditions is a theory of implicit relational meaning--implicit meanings in which our spiritual stories are embedded and enacted. Academic journal article Journal of Psychology and Theology. Psychoanalysis, Attachment, and Spirituality Part II: The Spiritual Stories We Live By. Psychoanalysis, attachment, and spirituality Part I: The emergence of two relational traditions. Journal of Psychology and Theology, Vol 35(1), 14-28.
