

Download Reclaimed Land Hong Kong In Transition

Hong Kong's existence as a city is owed to its natural harbour, to its usefulness as a port for trade with China. Even today that task as an economic gateway to China, as a place of transit, is a major role for Hong Kong, and in terms of traffic volume its container port counts as one of the world's busiest. Hong Kong: Hong Kong University Press, 2002 How to Cite? Abstract Between the end of 1994 and the beginning of 2000 - the last five years of the previous millenium - David Clarke took at least one black-and-white photo every day as he created a unique 'photo diary'. <http://www.worldcat.org/title/-/oclc/650591750> > a genont:InformationResource, genont:ContentTypeGenericResource; schema:about <http://www.worldcat.org/oclc/650591750> > ; # Reclaimed land : Hong Kong in transition schema:dateModified " 2019-05-11" ; void:inDataset <http://purl.oclc.org/dataset/WorldCat> > ; .Between the end of 1994 and the beginning of 2000 - the last five years of the previous millenium - David Clarke took at least one black-and-white photo every day as he created a unique 'photo diary'. , Reclaimed Land Hong Kong In Transition.
