DC Vertigo (also known as Vertigo Comics) is an imprint of the American comic book publisher DC Comics. It was created in 1993 to publish stories with more graphic or adult content that could not fit within the restrictions of the Comics Code Authority, thus allowing more creative freedom than DC's main imprint. Academia.edu is a platform for academics to share research papers. DC Comics is one of the largest comic book publishers in North America. DC has published comic books under a number of different imprints and corporate names.?? ?????? ??????, ??? ?????? ?????? ? ??????
