

# Download What Parents Need To Know About Teens

Thirteen Things Parents of Teens with Autism Need to Know Adolescence and autism together form a volatile mix. Posted Jan 13, 2011 Vaping, JUULing, e-cigarettes — for consumers, parents and even teens, understanding terminology and the truth about e-cigarettes can be confusing. Look around, and it's easy to see how media and technology have changed our day-to-day lives, even compared to a decade ago. We bring our devices with us everywhere and depend on them for work, school, play, and our social lives. With the recent Monitoring the Future Study release indicating that nearly one in three 12th graders reported using a vaping device in the past year, it's imperative that parents are informed of the potential dangers that can result from vaping., What Parents Need To Know About Teens.
