

Download What Your Cat Is Trying To Tell You

From looking you dead in the eye before swiping your glass of water off the end table to intentionally leaving poop uncovered in what can only be described as an act of rebellion, maybe you've resigned yourself to the fact that your cat is just plain weird. Jackson helps you actually communicate with your cat by properly learning their body language. And trust us, your cat's body language is very different than your dog's! Cats are notoriously mysterious, but veterinarian Dr. Jeff Werber explains that your cat's behavior may tell you more than you think. "Compared to dogs, it is much harder to decipher a cat's ... Your cat might also be trying to tell you the pan is too dirty for her liking. Morgan recommends cleaning the litter box at least once per day—more often if you have multiple cats in your home—and experimenting with different litters. If your home hosts multiple cats, adding another litter box may be an easy fix to make your felines more comfortable. Veterinary behaviorists recommend having one more box than cats in the house., What Your Cat Is Trying To Tell You.
