I watch the debate over health care with amazement. A million words are spoken on the topic with every passing minute, and as far as I can tell no one has ever addressed the real issue that's upsetting everyone. The all new and advanced Super Male Vitality formula uses the newest extraction technology with even more powerful concentrations of various herbs and extracts designed to be even stronger. Why would anyone join the military and get killed in a war? I have a vehement question that I don't get. Why would anyone be dumb enough to join the military and go to war, where one has EVERYTHING to lose and NOTHING to gain? Why don't we remember Eisenhower as a civil rights hero? ... President Dwight Eisenhower gestures during a news conference Jan. 19, 1956, his first formal meeting with the press since August 4., Why Americans Dont Join The Party.
